

Nelson's Presentation

Nelson Jovel

Section 1

Create presentations easily with pandoc

Format

Create a markdown file with the .md extension

Command

Run the following command to convert the markdown file to pdf

```
pandoc pres.md -t beamer -o pres.pdf
```

Styling

Use a pandoc theme. This one is using Copenhagen

```
---
```

```
title:
```

```
  - Nelson's Presentation
```

```
author:
```

```
  - Nelson Jovel
```

```
theme:
```

```
  - Copenhagen
```

```
---
```
